Welcome to Our Parish

Welcome!

I am so pleased you are interested in knowing more about our parish and the three churches. We are unique in that we are one parish with three distinct worshipping communities: St Nicholas, St Mary's and All Saints. Each has its distinctive character and serves a particular area of the parish, but you are welcome to worship wherever you feel most at home.

In all three churches we aim to be a lively community connecting with God's love in new and imaginative ways. Each church has a variety of worship services, traditional and family friendly. There is provision for children and young people at many of the services. We want worship to be sacred but accessible, dignified but engaging. There are many different activities across the parish that you are welcome to join in as well. In the end, we want to be a community that in loving God, we love and serve one another and love and serve the world, beginning with our own neighbourhood.

We hope this little leaflet will give you most of the information you need. If you have any further questions or if we can assist you in any way, please do contact the parish office or one of the clergy.

Every blessing to you.
