Jump! offers class and church based lessons to compliment the Herts Agreed Syllabus of Religious Education. Delivered by a team of volunteers from a number of different churches in Harpenden, the lessons provide a breadth of churchmanship. Lessons are engaging and interactive, with the aim being to ensure learning about and understanding of Christianity as a living faith which is important to a large number of people.

As well as RE lessons **Jump!** offers transition lessons for Year 6 in preparation for their move to secondary school. These lessons cover topics such as identity, community, bullying, feelings, relationships and compliment the Scripture Union books 'It's Your Move'. These are given to all Year 6 pupils in Harpenden by Churches Together at the end of the Summer term.

"A huge thank you for arranging this morning's session at the church and for showing us your family's DVD. That was very special. The children all enjoyed themselves and were talking about it all afternoon."
