

# *We Need Your Help!*

- ✚ Running costs for the Parish of Harpenden are £11,000 per week.

This covers heating & lighting, clergy salaries, building maintenance, etc.

- ✚ We raise **all** our own income from donations and activities such as hiring our halls and fees from weddings and funerals.

Donations from members of the congregation account for more than three quarters of our income.

We receive **no** income from the Church of England or the diocese.

- ✚ Despite holding expenditure at 2017 levels, the Parish faces a £45,000 deficit in 2019.

We have a highly qualified finance committee that manages our finances to the highest standards.

We need **everyone** to consider how they can contribute to the running costs of our church.

## **HOW CAN YOU GIVE?**

- ✚ Please consider joining our Parish Giving Scheme, to donate on a regular basis via Direct Debit, as this is the easiest and most tax efficient way to contribute.

For information about the Parish Giving Scheme or other ways of regular giving, contact our Giving Recorder, Claire Petevinos. Email: [giving.recorder@parishofharpenden.org](mailto:giving.recorder@parishofharpenden.org) or Tel: 01582 768721
