Do YOU have a son, daughter, granddaughter or grandson, neighbour or friend who enjoys singing?

We are always keen to welcome new members of our two children's choirs at St Nicholas Church.

Why join a choir?

Anyone who has heard a good choir sing will appreciate the **magic and beauty** of choral singing. The human voice is a musical instrument to be treasured.

There is **no charge** for the vocal and **musical training** the children receive, and the children themselves receive **pocket money** for their work in the choir!

Learning to sing is a challenge and **learning to sing with others** is even more rewarding.

You will **make friends!** Choral singing can become a **hobby for life** and musicians are notoriously sociable!

Research has shown that studying music **benefits children** across the academic curriculum in many ways. They will learn transferable skills and **gain in confidence** too.

Learning to sing is also enormously beneficial to those already learning to play instruments.

Children can join at **any age from 7**, the junior choirs go up to 14 so older starters are welcome.

No previous experience is necessary and there is no audition!

To begin with your child will join as a '**probationer**' while they get used to being in the choir. Older children will help them settle in.

They will attend **Rehearsals** –

- Girls – Thursdays 5.15-6.15pm
- Boys – Thursdays 6.15-7.15pm

And **Sunday Services** –

- 9am rehearsal for 9.30 service.

Each choir has some Sundays off. Duties increase as choristers get older and more experienced and may involve singing for Weddings, for which there is **additional pay!**

We provide

robes, music, pencils, friends, training, experience, expert advice, fun, treats, sense of belonging, pride, pocket money, rewards, etc.

You provide

your child - ready to attend regularly on time and grow as a singer, your support and encouragement!
