

Request for clergy reference (Church Form) for applications to St George's School for entry to Year 7 in September 2023

Parish of Harpenden will do all it reasonably can to assist you with your clergy reference (Church Form). Each year, the Parish receives more than 70 requests for clergy references.

In order to assist the Parish with the administration of clergy references, we ask that you complete and submit this form together with your child's record of church attendance ('passport') to the parish office **by email by Monday 3 October 2022**. There is no need to send a copy of the St George's Church Form to the parish office (the parish office has a version of the form for each parish church).

Please refer to the St George's School website for details of the school open evening. The school application form (SIF) is available from the school website. If you have any queries concerning your application, please contact the school admissions team.
